NOTES—First Sheet

WD 0245—GPB—2,500—23-8-32

There are three points for consideration in this case. In view of certain irregularities noticed to have been committed by the principal Mahamahopadhyaya Embarumanaliya, of the Sanskrit college at Calcutta, the M.C ordered that he should be retired with effect from 1.7.1937. But he was allowed to be continued in service till he was relieved by a successor. The vacancy was advertised in the Gazette and 13 applications were received, of which two applications only could be taken up for consideration. Other those two applicants could not be selected by the M.C, as none of them was found to be quite fit for the post of the principal. Hence the M.C has ordered that the present principal may continue in service until further orders, he being severely censured for the irregularities committed by him. ~~The proposal is submitted for orders.~~ ~~This is for kind attention.~~

The institution in question is a grant-in-aid one, with the benefits of the Provident Fund Scheme extended to its members from 1.7.1919. The pandits do not get any pension or any gratuity. Nearly half the number of pandits are stated to be over 60 years of age and the M.C. states that the rigid enforcement of the rule that they should

be retired after 55 years or 60 years of age, will work very hard in their cases. He therefore considers that they may be allowed to continue in service so long as they are capable of efficiently discharging their duties.

This point is for orders.

As stated above the Institution is under the direct supervision of the M.C under the Govt. dated 26.10.1918. The fact that Malleswaram being far away from Bangalore and that the M.C can not frequently visit the place is stated to be the cause of certain irregularities now dealt with, by him with a view to improve the situation, the M.C considers that the Institution may be placed under the direct control of the D.C Mysore, who may be empowered to exercise administrative control over the Institution like other Magistrates Magisterial Institutions in the district, and he requests sanction to this proposal this Govt is for orders.

GENERAL SECRETARY. 28 AUG. 1937

SIR,

Regarding the continuance of the present Principal of Melkote Sanskrit College.

I have the honor to invite reference to the correspondence ending with this office letter No.C.1108/36-37 dated 30-6-1937, stating that Maha Vidwan Emberumanarya, Principal, Sanskrit College, Melkote, ordered to be retired from service from 1-7-1937, has been permitted to continu in office till he is relieved by his successor; and that, the vacancy has been advertised.

2. In response to the advertisement in the Gazette, 13 application were received, of which, only the marginally noted two applicants

(1) Neelathanahalli Venkatanarasimhacharya, Vidwan in Dharma Sastra, Sahitya, Tarka, and Visishtadwaita Vedanta, and student in Purva Mimamsa, Kempa Nanjamma Agrahar, Mysore. Age 34 years.

(2) R. A. Iyengar, Vidwan in Vedanta Sastra and Tarka, Sanskrit Pandit, High School, Chintamani. Age.50 years.

} possess the prescribed qualifications. Though Sl.No.(1) /Margin/ possesses the prescribed qualifications, he is too young to be put in independant charge of the College at Melkote. The case of Sl.No.(2) also cannot be considered on account of his lack of experience in teaching and also, because of the fact that his services were dispensed with by the Board of Sanskrit Studies, for tampering with the marks of candidates in Answer Papers.

3. In the meantime, Maha Vidwan Emberumanarya submitted to me a representation praying for a reconsideration of the order of his retirement.

4. I inspected the institution on 29-7-1937, when I found that the teaching work of Maha Vidwan Emberumanaraya was fairly satisfact and that the office also was in fair condition. I have, therefore, modified my previous order of his retirement to one of severe censure ~~censure~~ for the irregularities committed by him and permitted him to continue in service until further orders.

5. In this connection, I may bring to the kind notice of Government, that the College at Melkote is a Grant-in-Aid institution to which the benefit of the Provident Fund Scheme has been extended from July 1929. The Pandits of this institution do not get any pension, nor do they get any gratuity. Nearly half the number of Pandits are over 60 years of age and the rigid enforcement of the rule that they should be retired after 55 or 60 years of age, will work very hard in their cases. I, therefore, consider that they may be allowed to continue in service so long as they are capable of efficiently discharging their duties.

6. The College is at present under the direct supervision of the Muzrai Commissioner (vide G.O.No.3583-5/Edn.125-17-39 dated 26-10-1918--page 657, Muzrai Manual). But, there is a local Advisory Committee with the Sub Division Officer, French Rocks, as Chairman (vide G.O.No.988-89/Muz. 162-35-4 dated 21-1-1936).

I think that the arrangement of keeping this institution directly under the Muzrai Commissioner, who is far away from Melkote and infrequently visits Melkote, is the cause of the irregularities now being dealt with. If this institution is placed under the direct charge of the Deputy Commissioner, who now manages much bigger Muzrai institutions in the District as the District Muzrai Officer, I am sure that matters will improve. I, therefore propose that the Deputy Commissioner, Mysore District, may be empowered to exercise administrative control over the Melkote Sanskrit College, like other major Muzrai institutions in the district, and request that sanction of Government may kindly be obtained to my proposal.

I have the honor to be,
Sir,
Your most obedient servant,

M N Anandalwar

The Muzrai Commissioner has reported that in modification of his order retiring Saha Vidwan Emberumanarya, Principal of the Sanskrit College at Melkote from 1st July 1937, he has permitted him to continue in service in the circumstances explained. He has observed in this connection that the College is a grant-in-Aid institution to which the benefit of the Provident Fund Scheme has been extended fro July 1929 and the Pandits of the institution do not get any pensions or gratuity and that nearly half their number are over 60 years of age and that the rigid enforcement of the rule retiring them after 55 or 60 years of age, will work very hard in their cases.
